

We're sorry

Garden waste collections are suspended

for six weeks from Monday 2 August

We are contacting all subscribers by email or letter.

Everyone will have their subscription automatically extended by eight weeks. You don't need to do anything.

Somerset Waste Partnership apologises for recent disruption.

This is mainly due to the national driver shortage and impacts of Covid. Please bear with us. We are doing all we can to get back on track. The garden waste suspension will help by releasing drivers and trucks.

Please report missed collections online using My Waste Services on the SWP homepage: somersetwaste.gov.uk

In the meantime, please help your crews...

- Carefully sort recycling into the right containers.
- Squash, crush or flatten recycling if you can to make more room.
- Stack boxes in windy weather.
